

PRIMUS TECHNOLOGIES HOLDS APPRECIATION DAY EVENTS FOR RAYTHEON, EMPLOYEES AND CONGRESSMEN SHERWOOD, PETERSON AND SENATOR SANTORUM

For release – August 17, 2006—PRIMUS Technologies' President, Jeremiah W. Sullivan, was pleased to welcome all to the Appreciation Day celebration that was held at their Williamsport-Reach Road campus. Owners, Jeremiah W. Sullivan, Robert P. Walker and Frank G. Pellegrino, all present for the occasion shared in the presentation that was held for all of the 430 employees, Senator Rick Santorum, Congressmen Don Sherwood Representative House / PA-10 and John Peterson Representative House / PA-5 and Raytheon Systems, Tucson, AZ. Those present for the presentation on behalf of Raytheon, Tucson, Arizona included Harry Schulte, Vice President Strike Product Line, Chuck Pinney, Maverick Program Director, Jeffrey Bergfield, Engineering Directorate – Maverick Program Office, Zach May, Business Development Manager JSOW Program, David Lundeborg, Integrated Supply Chain Senior Manager-Electronics, Walter Rice, Integrated Supply Chain Team Lead, Diane Erro, Integrated Supply Chain Senior Manager and Joanne Arvizu, Manager Supplier Diversity Advocate Office. Congressmen Peterson and Sherwood were in attendance; however Senator Santorum had prior commitments out of the state but was represented by Chad Weaver, State Director, Harrisburg and Courtney Calka, Legislative Aide residing in the Washington, D.C. office. Also in attendance were City of Williamsport's Mayor Mary B. Wolf and Republican Committeewoman Carol Sides.

Specific awards were presented to Raytheon, Sherwood, Peterson and Santorum on behalf of PRIMUS for their support of the growth seen in our company and as a catalyst for economic revitalization in Lycoming County. Three military personnel were honored by Executive Vice President Frank Pellegrino on behalf of their dedicated military service to the U.S. Employee, Edward Davy, was deployed to Iraq in January 2005 and returned from active duty in Iraq in August 2006. He has now returned back to full employment with PRIMUS. Bernard Kiessling, will be deployed to Kuwait this month. PRIMUS is a National Committee member of the Employer Support of the Guard and Reserve (ESGR) and will protect his and all employees' rights with any deployment. Finally, Chistopher Claar was deployed to Louisiana to assist with Hurricane Katrina efforts for several months in 2005. He had returned to work in late 2005 as a specific Project Manager for Raytheon programs.

Pellegrino stated, "...how proud we are for all of our employees but especially those that serve in the military defending freedom. There can be no higher honor than the respect that is deserved for a war fighter protecting the rights of others. Freedom can not be taken for granted". In addition, Pellegrino thanked Congressmen Sherwood, Peterson and Senator Santorum for their specific efforts in assisting with projects that stimulate economic revitalization and job growth. "We are truly grateful for such strong Congressional and Senatorial support on all fronts and would like all of our employees to know how grateful we are to these gentlemen. They are true friends of PRIMUS and we are most grateful for all of their efforts and assistance. Let us not forget our local leadership. Mayor Mary Wolf is a friend to PRIMUS and she is to be commended for her support and listening to the needs of our employees."

PRIMUS Technologies is an electronic manufacturing service industry provider manufacturing electronic circuit card assemblies and sub-system builds for the defense, telecommunications, medical, industrial controls and computer markets. PRIMUS is an AS9100:ISO9001:2000 registered quality company. They have been in business at the Reach Road location since 1959 and are a small business – veteran owned supplier, employing 430 skilled and degreed personnel. They operate on a 22 acre campus setting with more than 180,000 square feet of manufacturing space. PRIMUS is locally owned by Jeremiah W. Sullivan, Robert P. Walker and Frank G. Pellegrino.
